

Town of Inuvik Lifeguard & Swim Instructor Certification Pathway 2023

The Aquatic Centre at the Midnight Sun Complex in the Town of Inuvik, NT is preparing to re-open it's doors!

As a result, we are looking for candidates ages 16+ to certify as lifeguards and swim instructors in the hopes of providing meaningful employment with the Town of Inuvik, re-building our staffing capacity, and ultimately providing more community access to the pool. Opportunities for younger candidates to start their career pathway will begin later in 2023.

Interested candidates will need to participate in 100% of all 5 courses to become fully certified as both a lifeguard and swim instructor. All aquatic staff will be required to hold both certifications in order to meet programming needs.

The Town of Inuvik is excited to offer these courses at no cost* to Inuvik and area residents, and at cost to those residing outside of the immediate area (ie. Tuktoyaktuk, Norman Wells, etc.).

*\$50 registration deposit required at time of registration and refunded upon course completion.

We will be hosting each course, in succession, between December 10, 2022 - March 11, 2023. See below for specific course details.
